(Q OUT)

Geniatric Hakim says, "O.K.. We are om the air-as-in the secret randomly mutating algorithmical sequences, ISDN, private network, internal network between The, US, geniatics."

Geniatric So dam Insan responds, "We are now seperated, and why don't we just communicate, through telepathy net works...'

Geniatric Pfhill indicates, 'Why? Why not? We like the ride, we are also hackers, stackers, packered.'

Geniatric Edgar gets on, "Yah, this is fun! We is on we're sone, we are unobserved!'"

Vincengetoris breaks his reverie, "Why the risk? Because of the risk. We got cons. Out. No. More?"

They break the short connection and scan.
